

USER & TENANT MEETING NOTICE

Carson City Airport Construction

What: You are invited to a meeting to discuss the Carson City Airport construction and how it affects you as users and tenants of the Airport. We are inching closer to the completion of Phase 1 and some major changes are going to occur that will directly influence operations at the Airport.

Your participation is valuable as we seek to inform our patrons of the construction project details.

When: Tuesday, October 13, 2009
6:00 p.m.

Where: Carson City Airport
Terminal Building
2600 College Parkway #6
Carson City, NV 89706

Note: For up-to-date construction progress and other valuable information, please visit our website at: www.carsoncity-airport.com

If you are unable to attend the meeting please contact Casey T. Pullman, Airport Manager, to submit questions or comments.
